

**MAINSHEET**  
**THUNDERBIRD SAILING CLUB**  
**MAY 1989**

**COMMODORE'S MESSAGE**

The Club can be well pleased with the outcome of Sailfest. For a first event it was a real success. I want to thank everyone that gave a helping hand. Now let's pull together and enjoy the rest of the sailing season!

Remember, those members joining the club since 1986 are entitled to a club burgee along with a few other interesting items. See Paul Carpenter at the next meeting.

**SAILFEST 89**

A great success of which the club can be proud. First to arrive at the lake were Paul Carpenter, Connie Divine, and both Edenfields. They were followed by Pete Klippell and Linda Coe who brought the much needed coffee and donuts. Connie, Lynette and Yesta Gettys set up to register guests.

Chase boat volunteers Don and Cynthia Huston and Jay Cox arrived and proceeded to set up the race course. Without their help the event would have been a washout. Thanks folks!

Larry Brown and Sharon Shaver deserve a great big thank you also for providing the R.C. boat and, according to the R.C., working very hard.

If it looks like there were a lot of people involved in this event, it's because there were--and there are more. A special thanks to judges Bob Fink, Alan Aikins and Dick Powell who, in addition to judging, were very helpful throughout the regatta.

Saturday's races started on time under overcast skies and shifting winds of 12 to 18 knots. Weather work was limited because of wind shifts and the committee boat crew got lots of course setting drill--helped considerably by the chase boat crews. After the races dinner was enjoyed. Most folks left the lake early to prepare for an early start on Sunday.

Sunday saw a little more breeze but more consistent in direction much to the R.C.'s relief. Competition was intense, boats were over early, one overboard event (no injuries), a near K.O. while gybing, one bent mast, one demasting and several protests kept the race managers and the racers very busy.

With the racing and judging complete the sponsors, Little River Marina, Bill Nations and McDermott Sails deserve a big thank you. Last (because presentation was the last event) thanks go to Donna Yint for making the very impressive prizes which were awarded just before everybody went home to wait for next year.

Results were:

Centerboard Fleet	Cruising Fleet	Spinnaker Fleet
1 David Powell	1 Pete Klippell	1 Jim Edenfield
2 Bill Spens	2 Ted Thomas	2 Joe Bastian
3 Sam Habiby	3 Alan Nicewander	3 Rick Shaw

**CLUB HOUSE WORK PARTY**

**NOW IS THE TIME!** With the help of some recent rain we may be able to float the club house. On Wednesday June 7 beginning at 5PM we need a maximum turnout of members to lighten the float by removing its contents and then sliding it into the water. If you can't be there at 5 come later (sunset isn't until 8:30 or so). Bring come-alongs, pry-bars, pick up trucks or whatever else you think might be useful. The continuation of this project is dependent on the size of the turnout. If you want a clubhouse be sure to be there.

**JUNE MEETING**

We will meet at the Ranger Station at the park entrance at 7PM on June 9 for a discussion with the rangers on state park policies and programs. Rangers Wanda Chapman and Jim Sanders will speak.

### WEDNESDAY NIGHT RACES

Rich Gilman has suggested that the club offer informal races on Wednesday evenings. In the past these have provided a low pressure, laid back atmosphere which members have found very helpful in developing boat and sail handling skills. Those interested should contact Rich at 320-8089.

### NINNESCAH CORN INVITATIONAL REGATTA, AUG.5-6

We have received an invitation to participate in this event. It takes place on Cheney Lake, 25 miles west of Wichita, KS. It is limited to Lasers, Lateen Rig, SanJuan 21, and Prindle 18.2 & 19 classes. Earl Carpenter has application forms and details for interested members.

It is very likely that we will receive more invitation of this nature in the future as a result of the many invitations which we mailed to clubs throughout the region inviting them to Sailfest 89. The MAINSHEET will keep you posted.

### EVENTS SCHEDULE

For those members who might have misplaced their schedule of events an update follows:

- June 3 Dock Party and Open Boat Celebration. 5PM at the marina.
- June 17,18 TSC Summer Open. Short Course on 17th, skipper's meeting 12:30PM. Distance Race on 18th, skipper's meeting at 11:00AM.
- June 24 Big Brother/Big Sister Cruise 2PM. Meet at the marina parking lot. TSC Dock Party to follow at 5PM.
- July 15 Night Race. Pre-race social hour 4:30PM at the marina
- July 29 Short Course. Skipper's meeting 12:30PM.
- Aug. 12 Fun Day. Details to follow.
- Aug. 20 TSC-COSA Regatta. Skipper's meeting 1PM.
- Sept. 16 Night Race. Pre-race social hour 4:30PM at the marina
- Sept. 17 Afternoon Raft-Up. Skipper's meeting 1:30PM.
- Oct. 22 Short Course. Skipper's meeting 1PM.
- Nov. 19 Hiram Douglas Regatta, long distance. Skipper's meeting 12M.

*Dec-8 Christmas Party*

### CSSA INDIVIDUAL MEMBERSHIPS

Earl Carpenter has membership forms for TSC members who would like to join CSSA. Members who would like detailed information about CSSA should contact Howard Haines.

### FAMOUS WORDS

"I am about to sail but I do not know what I should do."

French Admiral Villeneuve before his defeat at Trafalgar, 1805.

**MAINSHEET**  
**THUNDERBIRD SAILING CLUB**  
**JUNE - JULY 1989**

**COMMODORE'S COMMENT**

Much deserved "atta boys" are needed this month. Alan Nicewander, Pete Klippell and Paul Carpenter ran the June races. Thanks fellas! Alan Aikins put together the Big Brother/Big Sister sail which was a great success. Good job! Rich Gilman has been trying to attract folks to the Wednesday evening sails; the two I've attended were lots of fun. Why not join in?

It is none too early to be thinking of next year's leadership. Basically the same group of people have led the club for the last several years. Continuity of programs and ideas is necessary-- BUT, new and different ideas and programs are necessary as well and this is where new faces on the executive committee would be beneficial. Be thinking about who would be effective officers in our club.

**CLUBHOUSE UPDATE**

The clubhouse has been moved since our last Mainsheet. It is now securely fastened to the marina store waiting for movement to its permanent location at the marina entrance ramp. With luck it will have been moved by the time this issue reaches you. We've only just begun however. Once we have it secure in place we need to do a lot to make it servicable. That means lots of manpower-- removal of fiberglass insulation, carpentry, painting, welding and more. It's a community project and we need the support of the entire club to make it work. The turnout for moving it off the shore was gratifying-- keep it up! The clubhouse committee (Paul Carpenter, Alan Aikins and Bill Yint) has names and phone numbers which they will be calling for assistance.

**WEDNESDAY EVENING RACES**

This event will continue and Rich Gilman will coordinate. These are highly informal races, held for fun and practice. If you are uncomfortable with your racing skills or the rules this is an excellent opportunity to sharpen both. As regular racers are aware it is also a good opportunity to work on a particular tactic as the races are short and the opportunities for repetition many. (See below, LIFE'S LITTLE PROBLEMS)

**JULY MEETING**

The July meeting will be held at 7:30, REPEAT 7:30, on July 14 in Dale Hall. The program includes videos of either or both the Dennis Conner match race in Sydney harbor and the Ultimate Yacht Race between an International 14 and an Ultimate 30.

**CHARTERING RESOURCE PERSONS**

Chartering season is underway. If you haven't tried it you might find it fun-- a lot of our members have. Without seeking permission to do so your editor herewith publishes a list (which may not be complete) of members and where they have chartered hoping that they are willing to answer queries about their experiences.

Bill and Teena Nations	Texoma, Carribean
Joe and Chris Bastian	Great Lakes, Texoma
Jan and Earl Carpenter	Florida Gulf Coast, New England, San Juan Islands
Paul Carpenter	Texoma, Florida Gulf Coast, Galveston, Great Lakes, Caribbean, J School Newport
Jim and Lynette Edenfield	Caribbean
Liz and Walt Hedrick	Texoma, Caribbean
Rich Gilman	J School San Diego
Alan Nicewander	J School San Diego
Rick Shaw	San Francisco Bay
Bill Woods	Carribean

## THUNDERBIRDS ON THE WING

Rick Shaw recently sailed on San Francisco Bay aboard racing sloops. He was well received by the local sailors and had a great time. We'd better watch this guy! Rick Mallinson for the second year running has won the District Championship of the Lightning Class, June 24-25, Lake Perry, Topeka. Rick's crew were Bruce McDermott (OCBC) and Todd Little (OUSCT). Congratulations! Howard Haines placed fifth in the keel boat race at the CSSA/COSA Portsmouth Regatta at Lake Hefner on June 17-18. Howard's crew were Catherine Holm and Tom Wiggins both members of OUSCT. Good going!

## EVENTS SCHEDULE

July 14	Meeting, Dale Hall, 7:30PM. Videos, refreshments
July 15	Night Race. Pre-race social hour 4:30PM at the marina
July 29	Short Course. Skipper's meeting 12:30PM.
Aug. 12	Fun Day. Details to follow.
Aug. 20	TSC-COSA Regatta. Skipper's meeting 1PM.
Sept. 16	Night Race. Pre-race social hour 4:30PM at the marina
Sept. 17	Afternoon Raft-Up. Skipper's meeting 1:30PM.
Oct. 13	General Meeting and Election of Officers
Oct. 15	Picnic
Oct. 22	Short Course. Skipper's meeting 1PM.
Nov. 19	Hiram Douglas Regatta, long distance. Skipper's meeting 12M.
Dec. 8	Christmas Party

## LIFE'S LITTLE PROBLEMS

Want to know how to make a joke out of an otherwise well sailed regatta? Just ask Howard Haines about the 4th of July regatta at OCBC! On finishing the third race Howard let his boat drift into the committee boat, entangling everyone and everything on the boat with the spinnaker. To make matters worse, once the boats were separated and the spinnaker brought under control, Howard couldn't remember the rules for exoneration and so dropped three places in the race. Miraculously, thanks to the crew work of Tom Wiggins and Mickey Porter (both OUSCT) the team still placed first in the Santana 20 fleet. Congratulations?

## NEW MEMBERS

A hearty welcome to new members Chris and J.C. Luppens sailing a Buccaneer 22 and a Sunfish. Chris and J.C. are late of Houston where they were active in gulf sailing. Also a hearty welcome to Helen and Chuck Robertson of Oklahoma City who sail a Clipper 26 (of which your editor has many fond memories). Helen and Chuck are docked at Calypso Cove.

**MAINSHEET**  
**THUNDERBIRD SAILING CLUB**  
**AUGUST 1989**

COMMODORE'S COMMENT

Did you realize that our club is 20 years old this summer? A birthday party is planned for Oct. 15. Already the club has received a nice present in the form of the clubhouse.

During the month I distributed a batch of letters on non-members' boats. The letter describes our club and invites interested sailors to join. Please join me in obtaining new members. The club has a lot to offer Lake Thunderbird sailors

CLUBHOUSE UPDATE

Good News! The clubhouse has finally found its way to its permanent (we hope) home. Our plans for this summer are to clean it up inside and out, repaint the outside and erect a sign. We also plan to do some repair to the dock to ensure it safe to walk on. We hope, with your help, to have this done before the winter gets cold.

In order to get started our September meeting has been changed to September 9 at 4PM at the clubhouse. It will be a clean-up and painting party. Also the chairman of the House and Grounds Committee will outline our long term plans for the clubhouse and would like your inputs. Please attend.

If you have lawn chairs or such to donate please bring them. There is nothing to sit on there now.

AUGUST MEETING

The August meeting will be held in Dale Hall on August 11 at 7:30, REPEAT 7:30. The program includes a visit by Ken McBride, the owner of the marina. Ken will discuss his plans for the marina and other topics of interest to club members. ~~As a related matter Ken and the club are currently engaged in a~~ census of slipholders at the marina.

CHARTERING RESOURCE PERSONS

The last Mainsheet published a list of folks who could be helpful to members planning a chartering vacation. We are happy to add to that list Bill Woods, who has chartering experience in;

The South Pacific  
Tahiti, Fiji, Tonga  
Caribbean  
Windwards, Leewards, British Virgin Islands  
Bahamas

Bill would like to hear from anyone with information about "Sun Yacht Charters" or "Go Vacations". Also he would like to talk to anyone who has chartered in Antigua, Grenada, Guadeloupe or Martinique.

## THUNDERBIRDS ON THE WING

David Powell took third in the Finn fleet at the Kansas Governor's Cup Reggata at Lake Cheney Ks. on July 8 and 9. Congratulations Davel

The Wichita Falls Yacht Club ran their Foster Regatta July 22-23. Forty-five entrants were divided into multihull and keelboat A and B fleets. Howard Haines sailing his Santana 20 represented TSC and came away with first in B fleet. Crewing with Howard were Tom Wiggins and Tim Mather, both members of the OU Sailing Club and Team.

### FOR SALE

1982 AMF Tiga Windsurf Board. Good condition. \$300 or best offer  
Janet Corley 364-0166

AMF Force Five, with trailer. 14'. Great condition. \$1400 or best offer.  
364-4350 or 321-4928 after 5PM.

### EVENTS SCHEDULE

Aug 11	Monthly meeting. Dale Hall. Ken McBride, speaker; 7:30
Aug. 12	Fun Day. Skippers Meeting 2PM
Aug. 20	TSC-COSA Regatta. Skipper's meeting 1PM.
Sept. 16	Night Race. Pre-race social hour 4:30PM at the marina
Sept. 17	Afternoon Raft-Up. Skipper's meeting 1:30PM.
Oct. 13	General Meeting and Election of Officers
Oct. 15	Picnic and Grand Birthday Celebration
Oct. 22	Short Course. Skipper's meeting 1PM.
Nov. 19	Hiram Douglas Regatta, long distance. Skipper's meeting 12M.
Dec. 8	Christmas Party

### WELCOME ABOARD

We have a new member to report and "New Old" members as well. Bill and Beverly Ballard joined last month and brought a Catalina 22 to the lake. Welcome Bill and Beverly!

Some of us remember, with great fondness, Susan and David Carruth. They have joined us again, sailing a Catalina 22. Good News!

### SEASIDE SERENADE

It begins when you smell a funny smell  
And it isn't vanilla or caramel  
No, it's not what the barber rubs on Daddy  
It's more like an elderly finnan haddie  
Or, shall we say, an electric fan  
Blowing over a sardine can  
You could do with a second helping, please  
And that my dears is the ocean breeze

Ogden Nash

**MAINSHEET**  
**THUNDERBIRD SAILING CLUB**  
**SEPTEMBER 1989**

**COMMODORE'S COMMENTS**

Too bad it was light air on Fun Day. Otherwise I am sure that would have been a fine occasion since a lot of preparation had gone into it. Better luck next year.

No question that the COSA-TSA get-together was a success. A beautiful afternoon, nice wind and good company. Our COSA friends were well pleased with the great picnic Paul Carpenter and Pete Klippell put on, and with winning the competition. Paul and Pete receive several "atta boys" for their organizing this fine outing. Also many thanks to the OU Sailing Club and Team for the loan of their Lasers.

Although hot and muggy, I feel Fall in the air. Plans are afoot for the Club's 20th birthday party, to be held in mid October, as are early preparations for the Hiram Douglas Regatta. A lot going on! I hope you see yourself part of it all.

**WELCOME ABOARD**

Welcome to Terry Snelson's colorful "Bits and Pieces", a Mirage 27 which Terry constructed. He'll tell you he did it with bits and pieces but it looks nicer than anything your editor ever saw built that way.

**AUGUST MEETING**

The August meeting with Ken McBride was very informative. Discussion included the water supply to slips, fuses for electrical outlets (they are available in the marina store), and the repair of holes in the docks. If you have been to the marina lately you probably have noticed that action has been taken or is underway.

Ken reported that the insurance coverage at the marina will not allow marina employees to tie up boats which have broken loose because the marina then becomes liable for subsequent damage. The marina will however make line available to members in an emergency. Obviously we should periodically examine our lines and it would be helpful if we would also look at the lines of other boats as well.

Many of us at the meeting also came away with a better understanding of the difficulties of running a marina.

**CLUBHOUSE UPDATE**

The September meeting was held in the clubhouse. It was billed as a clean-up and painting party but only the clean-up got done. It got done well however and several pick-up loads of stuff were taken away. The painting remains to be done---keep your eye on this space!

## FUN DAY

Fun day this year was semi-fun. Because of the wind (none) the sailing events were cancelled. Most of us had a jolly time however watching Paul Carpenter prepare his slip for the addition of a Hydro-Hoist. He got more and more help as the afternoon progressed which he tolerated in fine fashion until someone inquired as to why the job was taking so long.

## NIGHT RACE

An ideal evening with reasonable wind and a full moon greeted a fleet of six boats. Bits and Pieces, skippered by Walt Hedrick, and with equipment gathered from here and there took third place in the spinnaker fleet, Rich Gilman was second and Howard Haines won the event.

In the non-spinnaker fleet Alan Aikins and Chris Luppens took first and second respectively. Rick Shaw and friends managed the race very nicely.

## EVENTS SCHEDULE

There are two very important events in October. If you don't plan to attend any others be sure to make room for these two, the General Meeting and Election of Officers and the Twentieth Birthday Party.

For the General Meeting and Election we are accepting nominations. It is important to the future of the club that members be willing to participate in its leadership. If you are interested contact any current officer.

For the birthday celebration we are trying to invite as many former members as we can find. It will be a grand reunion, plan to be there!

There will be more information about these two events in a flyer to be published when plans are final.

Oct. 13	General Meeting and Election of Officers
Oct. 15	Picnic and Grand Birthday Celebration
Oct. 22	Short Course. Skipper's meeting 1PM.
Nov. 19	Hiram Douglas Regatta, long distance. Skipper's meeting 12M.
Dec. 8	Christmas Party

## ANNOUNCEMENT

The INDIAN SUMMER REGATTA, an open event, will take place on Sat. Sept 30 and Sun. Oct. 1 at OCBC. The Thunderbird Sailing Club has been invited to participate. For more information contact Rich Gilman or Howard Haines.

## WHAT DID HE SAY?

Any fool can obey orders.

Admiral Sir John Fisher  
after the battle of Jutland.

**MAINSHEET**  
**THUNDERBIRD SAILING CLUB**  
**OCTOBER 1989**

**COMMODORE'S COMMENTS**

With the Annual Business Meeting coming up soon the club can look forward to a new year with fresh leadership and many interesting projects underway. Personally I am relieved to be passing this job on to one of you, but, at the same time, I've enjoyed being part of the club's activities and projects this year.

Besides the Business Meeting there are a lot of "happenings" in the next month or so. The early October Paint Day on the clubhouse should be productive; the 20th anniversary picnic will be a super affair; the race on October 22 will be excellent, assuming the weather cooperates; the Hiram Douglas Memorial Regatta, November 19, is usually fun whether the weather is good or not. Something there for you? I'll see you at the lake.

**CORRECTION**

The results of the Sept. 16 Night Race were erroneously reported in the September MAINSHEET. The correct order of finish in the non-spinnaker event was; First-Chris Luppens: Second -Alan Aikins.

**PAINT DAY**

As predicted in this space, the time has come to consider painting the clubhouse. We gather for that purpose at the clubhouse on Oct 8 at 3PM. The club will supply paint, brushes, solvents, and other expendables. Members must supply the labor. Please coordinate with Paul Carpenter (364-6784) what useful tools you could bring, eg., scrapers, tarps, brooms. The size of the turnout will indicate how much support this project enjoys. LETS HAVE A GOOD TURNOUT!

**ANNUAL BUSINESS MEETING**

October is a significant time for our club. Two big events (in addition to Paint Day) are scheduled. First, the Business Meeting at 7PM, Oct. 13, in Dale Hall Tower. (More of the second event later.)

This meeting is the occasion for election of new officers. The nominating committee has put forth the following members for the office indicated;

Commodore	Rick Shaw
Vice Commodore	Charles Gettys
Fleet Commodore	Chris Luppens
Rear Commodore	Don Huston
Secretary	Janie Davis
Treasurer	Jan Carpenter

Nominations will be accepted from the floor as well.

Bill Woods ,our most experienced charterer, unfortunately, will be out of town but he has loaned the club a video prepared by Moorings which should serve as the basis for a chartering seminar. In the club we have a wealth of chartering experience which should make this an interesting program.

Once again the club will furnish drinks of all description. Members are requested to bring snacks and finger food.

### ANNUAL PICNIC AND GRAND BIRTHDAY CELEBRATION

This is the second of our important events. It takes place at Area C of Indian Point (turn right entering the Park) on October 15 at 2PM. Earl Carpenter is forming a committee to organize this event. If you would like to serve call him at 321-2624.

The club will furnish hamburgers, hot dogs and drinks. Members are asked to bring a covered dish or dessert. We are inviting as many former members as we can locate to join us. If you know any former members get in touch with Howard Haines (329-7180) so that he can issue an invitation.

There is a courtesy dock at Area C for members who would like to arrive by boat

### NEW MEMBERS

We welcome aboard the Sooner Nautical Society and Barbara and Mark Zahourek. Members of SNS are Naval ROTC Midshipmen led by Lt. Rick Casetta. They sail the Laura Jean and Lasers.

The Zahoureks run Calypso Cove marina and operate a variety of boats.

### TEE SHIRTS AND JERSEYS

If you are interested in club tee shirts or jerseys please notify Cynthia Huston,366-0190, as to sizes and numbers

### EVENTS SCHEDULE

October 13	General Meeting and Election of Officers
October 15	Picnic and Grand Birthday Celebration
October 22	Short Course. Skippers' meeting 1PM
November 19	Hiram Douglas Regatta. Skippers' meeting 12M
December 8	Christmas Party

### IS THAT SO?

A ship contains a set of human machinery in which every man is a wheel, a band, or a crank, all moving with wonderful regularity and precision to the will of its machinist- the all powerful Captain.

Samuel Leech--a sailor in Napoleon's navy

# **MAINSHEET**

## **THUNDERBIRD SAILING CLUB**

**NOVEMBER 1989**

### **PAST COMMODORE'S COMMENTS**

Commodore Rick Shaw is out of town as this newsletter is prepared so I will take the opportunity to welcome the new executive committee and give the previous committee a "job well-done". As the newsletter illustrates, the new leadership is taking hold nicely and I believe we can look forward to a great sailing year in 1990. As the previous executive committee slips back into the general membership, I am sure all of you join me in thanking them for the time and effort they have spent in our behalf.

### **OCTOBER RACE**

Fresh winds and sunny skies were generously provided by the race committee. Alan Aikins, et al., for our most recent race. Three short course races were held, and the day was dominated by our new commodore, Rick Shaw. The Merit 22 was very fast and placed first in two of the three races. Pete Klippel placed second in his J-22 and the Bastians placed third. It was a very enjoyable day, nearly perfect for racing.

### **HIRAM DOUGLAS MEMORIAL REGATTA**

Well placed sources indicate that there will be an absolutely perfect day for racing November 19. Please don't forget the 'Capstone' event of our racing season. Registration (\$6.00/boat) will begin at 9:00AM at the pavilion at Sailboat Point. Coffee and donuts will be provided, and there will be a bonfire afterwards. Several out-of-town visitors are expected, so lets all plan to attend this event. The long range weather forecast indicates sunny skies, 68 degrees, with moderate southwesterly winds ranging for 8 to 11 mph.

### **THUNDERBIRDS ON THE WING**

The Indian Summer CSSA regatta at Lake Hefner had the participation of several TSC members. Terry Snelson on Bits and Pieces, Terry's Mirage 27. David Powell with his Finn, Howard Haines with his Santana 20 and Janie Davis crewing on a Stilletto 23 gave the club a good representation. David

won in the centerboard handicap fleet. Rick Mallinson, a member of OCBC as well as TSC, was part of the race committee of this regatta.

Chris Luppens officiated at the Houston YC race of Oct. 21-22. It is fine that TSC now has a senior race officer in its midst. That same weekend Howard Haines, with the Santana 20, participated the CSSA Frostbite regatta on Fort Gibson Reservoir, taking 3rd in the spinnaker fleet. Rick Mallinson crewed with Howard.

## TWENTIETH BIRTHDAY BASH

A tremendous success! About 50 members and guests attended on a bright and sunny day. Unfortunately it was too windy to anchor at the picnic (a lee shore in a 20 knot breeze) thus we all arrived on wheels. Several founding and near-founding members attended, some with photographs of 15-20 years ago. The Aimless II crew did a great job of planning (and in some cases preparing) food. Andy Williams was our fireman and the Zahoureks provided beer and soft drinks. Don Huston was in charge of marking the anchorage and did so with great expertise only to watch his work disappear downwind as the breeze built. It's still a good idea - maybe next year.

## DUES

The new fiscal year for TSC began November 1. Dues are \$30.00 and may be sent to Jan Carpenter, Treasurer, TSC, 1025 Robinhood Lane, Norman, OK, 73069. Dues may also be paid to Jan at the upcoming November meeting.

## NOVEMBER MEETING

Friday, November 10, top floor of Dale Hall Tower, 7pm. Please bring a snack. Drinks will be provided by the club. After a short business session there will be round table discussions of cruising. Earl Carpenter will coordinate the discussions.

TSC  
Earl  
Carpenter
